" WE BUILD AFRICA TOGETHER...

... FOR REACHING HIGHT GOALS OF AFRICAN RENAISSANCE "

## ECU inc-International a Group of Companies

With **ARTAC Consulting**, our challenge is to be in part of the international decision maker using **African Consultants** with their wide expertise in Railway, Airport, Roads and Transport in the African needing solution. Each African Consultant will be a Member and a Shareholder of **ARTAC Consulting...** a Great Project and exciting challenge to be pushing moving forward for **African Renaissance**

With **PPP-INDIA-AFRICA**, our challenge is to active the Indian generous act giving African perspective of developing the relation between India and African Nations through the "**African-Indian Summit**" which held every 2 years and Indian Government allocate **5 Billion Dollars** to Africa for boosting development with Indian Expertise. Fortunately, this action don't "move" actively and ECU inc intent to be a major player in implementing a New "PPP" which, is for our view, the only solution to reach the Honorable Goals...a Great Project and Exciting challenge to be pushing moving forward for

**African Renaissance**

## Banque Nationale du Rwanda National Bank of Rwanda

Finance and General Services Department

### Invitation for Bids (IFB)

1. The **NATIONAL BANK OF RWANDA** (hereinafter called "Client") has funds from *ordinary budget* towards the cost for **SUPPLY AND IMPLEMENTATION OF CORE BANKING AND ENTERPRISE RESOURCE PLANNING (ERP) SYSTEMS**. The Client intends to apply a portion of the ordinary budget to eligible payments under the contract for which this Request for Proposals is issued;
2. The **NATIONAL BANK OF RWANDA** now invites sealed bids from eligible Bidders for the followings:
  - a. Supply of integrated packaged software to cover the required functionality of the Core banking and Enterprise resource planning (ERP)
  - b. Sizing, supply, and installation of the required processing capacity (hardware), system software, middleware and associated system management tool set;
  - c. Confirmation and/or specification of system functional and user requirements, and documentation of technical functionality;
  - d. Development, testing, and implementation of the required application software functionality and linkages;
  - e. Provision of comprehensive operating documentation;
  - f. Training of the NBR's staff in the day-to-day business administration and technical operations of the system;
  - g. On-site support of the systems for a period of at least 3 month after cutover;
  - h. Maintenance of software and hardware during the first five years to be quoted separately from the supply and implementation.

# **WHY THE PPP-INDIA-AFRICA?**

Indian Prime Minister Manmohan Singh (centre) in Addis Ababa. Picture: AFP/HO/PIB/Asish Maitra

## INDIA-AFRICA SUMMIT 2011

- Held in Addis Ababa, Ethiopia from May 24-25
- India is working to deepen its economic ties with Africa in order to feed its own growing appetite for resources and out-compete its rival China.
- India's state-run oil firms are beginning to invest in African countries including Nigeria and Kenya, while China has pumped billions of dollars into Sudanese oil, mineral-rich Zimbabwe, and Zambia's mining sector, among other countries.

### THE FIGURES

|   |               |   |
|---|---------------|---|
|    | <b>\$5b</b>   | The amount of money India is offering to Africa to boost development  |
|    | <b>\$700m</b> | For new institutions and training programs  |
|    | <b>\$300m</b> | For a new Ethiopia-Djibouti railway line.   |
|   | <b>\$2m</b>   | Amount that will go towards supporting the African Union Mission in Somalia and to fight piracy in the Indian Ocean |
|  | <b>\$46b</b>  | Total bilateral trade between India and African countries in 2010, a huge jump from \$3 billion in 2000-1.          |
|  | <b>\$70b</b>  | Trade volumes are estimated to reach \$70 billion by 2015   |
|  | <b>\$107b</b> | China's bilateral trade with Africa already stood at \$107 billion in 2008.   |
